people aged 12-18 at
**Manchester School of Art at
Manchester Metropolitan University**

Making and Thinking in 3D, 20th- 24th July

Suitable for Year 12 to Year 13 pupils

This week-long workshop explores making, designing and objects - the everyday and functional or the precious and personal. Come and experience thinking and working three dimensionally and get the chance to explore exciting materials and making processes with delivery from 3D Design Lecturers and Graduate Practitioners.

Cost: £75 per person including all materials

Design to Sell Project, 3rd - 7th August

Suitable for Year 10 to Year 13 pupils

This one-week project will give young creative entrepreneurs the opportunity to devise a product that could possibly go into production, and at the end of the week, will be pitched to live venues, shops and galleries from across Manchester. The project aims to encourage group-working and collaborative thinking as well as offering a platform to be heard by actual companies in Manchester! You will have to problem-solve and be creative, whilst also learning about product design, costs and manufacturing in a creative and fun workshop!

Cost: £75 per person including all materials

Creative Courses - Art & Design Portfolio Week, 10th - 14h August
